Dr. Harmon McAllister
The Council for Tobacco Research
900 Third Ave.
New York, New York 10022

Dear Dr. McAllister:

Pursuant to our telephone conversation, I would appreciate some financial support from your organization toward the sponsorship of US scientists to attend the Fifth International Workshop on "Cellular and Molecular Effects of Mineral and Synthetic Dusts and Fibres" to be held October 11-13, 1993 in Paris, France. As you know from your attendance at our last workshop in Sherbrooke, Quebec, these workshops are attended by an international audience of basic and clinical research scientists, and the proceedings are published in the NATO ASI series with acknowledgements to contributors. I have sent you under separate cover the last volume. We will extend an invitation to you to attend and look forward to seeing you again.

Sincerely,

Brooke T. Mossman

Brooke T. Mossman, Professor and
Member of the Organizing Committee
